

December 2017

Dear friends,

We are entering the time of year when every organization dear to your heart will approach you for end-of-year giving. Because ACEP touches so many lives around the world, we hope that we will be high on the list of those to which you donate. Every dollar is spent wisely and has a significant impact. ACEP is a 501(c)3 nonprofit association, and has again won a Top-Rated Award from GreatNonprofits!

Many of you probably believe that your membership dues, conference fees, and purchase of our on-line courses bring in all the money your organization needs. The reality is that, currently:

- Membership dues contribute about 25% of the cost of running the organization.
- The conference contributes about 10%.
- Our other training programs contribute another 25%.

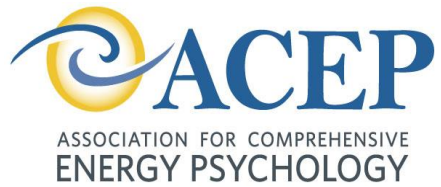

That leaves 40% that needs to be covered in other ways, so that we can continue to have a strong organization, able to carry out our mission of increasing the visibility and credibility of energy psychology throughout the world. Can we count on you to help us raise that 40%?

As EP and related methods become more widely accepted into the mainstream, we look forward to the day when these deeply healing tools are available to every professional and layperson. A few steps we have taken this year to help turn that vision into a reality include:

- Resources for Resilience - R4R's mission is to alleviate suffering by teaching self-help techniques to survivors of violence, trauma and natural disasters. This project of ACEP's Humanitarian Committee makes basic information on Quick Trauma Relief available to anyone who has access to a computer, providing the information in both video and pdf format.

- ACEP is collaborating with The Association for the Advancement of Meridian Energy Techniques (AAMET) on a submission of EFT Treatment for PTSD, in an effort to gain approval from the National Institute of Clinical Excellence (NICE), which controls treatments provided by the National Health Service.

You can read more about this year's accomplishments in the 2017 Highlights found at www.energypsych.org/donations/. Your donation now will help make the difference in what we can accomplish during the coming year.

Please support our work with a one-time or monthly donation. All or part of your gift may be tax deductible as a charitable contribution.
